Thanks very much and you're welcome Jeremy. Would love to get together sometime soon so will look at my calendar to find a date to head to Raleigh. Please give my regards to one of your associates – Jordan Whichard, director of intergovernmental affairs. Just learned from his dad this morning that he is working for the Governor.

I hope you have a nice weekend.

Best regards,

John,

I did receive your vmail last week and have relayed your views to the Governor. Thank you for the follow-up email and letter further detailing the reasons that the NCEast Alliance supports the ACP. Please let me know next time you are in Raleigh and have time to meet face to face. I'd like to learn more about your work.

Jeremy

Hello Jeremy,

I suspect my letter to Secretary Regan regarding my organization's support for the Atlantic Coast Pipeline has already found its way to your desk, but just in case, I wanted to follow up on my phone message to you last week.

Should you have any questions, please do not hesitate to call me. And, if there is anything I can do to assist you, please feel at ease calling me on my mobile phone at 252-933-9455. Thank you for your service to the State of North Carolina.

Thanks very much for your interest.
